WAR has created a ticket to respond to our request for a copy of their data.

It is a challenge to coordinate without it!

Response is we are working on it, expect it soon.

There is now a fillable coordination form on the webpage under info.

Thanks to Gordy N0ZRD

Many of the old coordination records have been cleaned up, the remainder are listed.

This was the result of many emails and N0ZRD contacting several that he has contact with.

I recommend that the former N0ZOD repeaters be given 45 days to update or be de-coordinated as Jim Miller KD0RR is filling out paperwork on them.

Bylaw revisions are still in the hands of our attorney, was told about this meeting. We have some issues to clean up.

In July postage rates will go up another \$.05.
